

# How to set up your Remotek controller for roadbook riding

The video below is a walk through on how to set up your Remotek controller for roadbook riding apps. (e.g Rallymoto + Piste Roadbook)

A video on how to set up your controller specifically for the Rallymoto app can be found on the Scottoiler Facebook & Instagram pages.

**[CLICK HERE](#)** for how to install the optional rally add on for your **Remotek One**.
